PUBLISHED EVERY TUESDAY AND FRIDAY IN THE YEAR

VOLUME XXXVII

PARIS, BOURBON COUNTY, KENTUCKY, FRIDAY, MARCH 8, 1918

IN THE SERVICE OF THEIR COUNTRY.

According to letters received here from the Bourbon county boys who are in training at Camp Zachary Taylor, in Louisville, as members of the Dr. Barrow Base Hospital Unit No. 40, they are all in good spirits and enjoying the life in camp. The Unit was given complete equipment as soon as they arrived at the camp, and have taken up their work with a vim. They promise to acquit themselves so well as to equal those who have had the advantage of previous training. The Unit is quartered in the barracks of the 159th Brigade, until their quarters, near the Base Hospital Division, have been completed.

News from Washington yesterday was to the effect that thirty thousand and young Americans between the ages of seventeen and twenty, who are now preparing themselves to be reserve officers in the course of their school studies, may be called in June for a month of training with regulars, national guardsmen and the national army troops. This will take several boys from Paris and Bourbon county, who are now in those branches.

Mess Sergeant James P. Logan, of Lexington, aged thirty-seven, died of pneumonia at Camp Bowie, near Ft. Worth, Texas, Monday, after an illness of only one week. Sgt. Logan was a son of Mr. John A. Logan, who has been stationed in Paris for several years as storekeeper-guager at the Paris Distilling Co.'s plant. The body was buried with military honors at Ft. Worth, Texas.

REAL ESTATE DEALS AND LAND SALES.

Mrs. George W. Faulkner, of Paris, sold through the real estate agency of Ratliff & Motch, of Winchester, her five-room cottage in that city, to Mr. Allen P. Jackson, of Winchester, for \$1,000, for immediate possession.

The Bobbitt cottage, located on South High street, between Fifteenth and Sixteenth streets, has been purchased by Mr. A. G. DeJarnett, who recently sold his farm near Paris. Mr. DeJarnett, having formed a partnership with Mr. Winston Hart, in the conduct of the Taylor Garage, on Main street, will move to the cottage this week to reside.

Mrs. Ida Myers sold to Mr. Elmer B. Myers, the G. W. Myers residence and vacant lot adjoining, on Mt. Airy avenue, at a private price. Mr. Myers and family will move to the property to reside.

Messrs. Geo. W. Wilder and Ed. H. Gorey sold to Mr. Harold Roberts two acres of land in Wildwood Division near Paris, for \$1,500. Mr. Roberts will cultivate the tract in tobacco.

Harris & Speakes sold to Mr. A. L. Boatright, of Walker avenue, a vacant lot in the College Hill Addition to Paris, at a private price.

Mr. Oscar Hedges, formerly of North Middletown, sold to Chas. Adair, a tract of one hundred acres, on the old Frankfort pike, near Lexington, for \$28,000, for immediate possession.

Mr. James H. Haggard transferred the Haggard farm of 174 acres, near Centerville, to Mr. Wm. H. Whaley, Jr., of Paris, for about \$21,000. The place contains an eight-room brick residence. Mr. Whaley sold the Robert Hughes farm, which he purchased recently from Mr. J. M. Alverson, of Georgetown, to Mr. Smith, of near Carlisle, for a private price, for immediate possession.

Mr. J. M. Alverson has sold 130 acres from the back part of the Miller farm, recently purchased from Mr. W. H. Whaley, to Mr. James Ralls, of this county, for a price not given out for publication.

The cottage of Mrs. Laura Lair, advertised to be sold at public sale Wednesday afternoon, was bid to \$1,750, and withdrawn.

Mr. Dabney Renaker sold to R. D. Worthington the Renaker farm, located on Silas Creek, near Jacksonville, in this county, for \$15,000. The farm contains about one hundred acres of land, with improvements. Mr. Renaker will move to George town to reside.

Mr. Charles N. Peddicord purchased yesterday by Messrs. George W. Wilder and Ed. H. Gorey, lots Nos. 1 and 2, in the Wildwood Addition to Paris, adjoining the Lenihan property he recently purchased. Mr. Peddicord paid \$1,200 for the lots.

MOVING MOVERS BUSY.

Out in this county since the opening of the month there has been an almost unprecedented number of farm sales, removals and changes of locations. To such an extent is this true that the rural route carriers are having considerable trouble in delivering mail, so many of those whom they served having left their former neighborhoods or moved to other counties.

Shelby, Nelson and Spencer counties seem to have the greatest attraction for those who have sold out their Bourbon county holdings. As a result land is at the top notch here, while those who have moved claim they can get more acreage in other counties for the same money they would have to pay in Bourbon county.

FIRE DAMAGES HOTEL AT WEST BADEN.

Fire gutted the fourth floor of the Sutton Hotel, at West Baden, Indiana, Tuesday night, causing a loss of \$20,000, fully covered by insurance. The hotel, an establishment of 100 rooms had been closed for ten months and would have been reopened this spring.

DELEGATION GOES TO FRANKFORT TO PROTEST.

In an endeavor to secure an equitable adjustment of taxes on farming lands and other urban property, threatened with a heavy raise by the tax assessment for 1918, a large delegation of Bourbon county farmers and business men went to Frankfort, Tuesday, and appeared before the State Board of Valuation, to protest against the threatened increase.

Advices had been received here from Frankfort by County Judge Geo. Batterton to the effect that the raise was in contemplation. A meeting of the farmers was called Monday, at which Judge Batterton made known the information he had received. He stated that a raise of approximately thirty-eight per cent. had been indicated. Mr. Arthur B. Hancock presided at the meeting, and Judge Batterton as secretary. A resolution was adopted favoring sending the delegation to Frankfort to show the State authorities that Bourbon county land was the highest taxed soil in the State. The State Board of Valuation, according to the information received by Judge Batterton proposed to raise the valuation of lands in this county \$4,350,000, town lots \$400,000, and tangible personal property \$200,000.

The delegation which appeared before the Board was headed by County Judge Batterton, and composed of the following: Former Assessor R. M. Gilkey, Arthur B. Hancock, Frank M. Clay, J. Frank Clay, Samuel Clay, Roger Burris, Henry S. Caywood, Warren Rogers, Jas. H. Thompson, Jos. Leach, Voiney Ferguson, Jos. M. Hall, Jas. Caldwell, Ben Woodford, Allie Jones, John Woodford, Jas. McClure and Judge Denis Dundon.

CONCISE STATEMENT AS TO COURT OF APPEALS DECISION

The following statement in connection with the case of George Clay's Committee vs. S. Brooks Clay, sent up from the Bourbon Circuit Court, and decided recently in the Court of Appeals, is furnished by one of the attorneys in the case.

"Since our last issue, we have seen the opinion in the case of George Clay's Committee vs. S. Brooks Clay.

"This is the second court to decide that George Clay was a man of unsound mind when he made the deed to S. Brooks Clay, but the opinion decides that because the price paid was not so grossly inadequate as to 'shock the conscience,' the deed will be allowed to stand.

"The opinion shows that George Clay refused to consider \$150 an acre from Mr. Thomas Henry Clay, Sr., and Mr. F. W. Wallis, but it once sold it to Mr. S. Brooks Clay at something over \$100 per acre, on eleven yearly payments.

"A bargain that makes nearly \$50 an acre for three hundred acres may not legally 'shock the conscience,' but it JARS the layman. It seems also that the fifty-acre tract, with the improvements, go to S. Brooks Clay at George Clay's death, at \$100 per acre."

KITCHEN CABINETS.

Join our McDougall Kitchen Club and get the best kitchen cabinet made. \$1.00 puts one in your kitchen.

THE J. T. HINTON CO.

LOUISVILLE & NASHVILLE CO. HONORS VALUED EMPLOYEE

After an honorable business connection of thirty-five years with the Louisville & Nashville, in various capacities, and in more recent years Supervisor of Bridges and Buildings, Mr. Harry Stamler, of Paris, has been retired by the company with honor and praise, and an appropriate remuneration.

Mr. Stamler is succeeded as Supervisor by Mr. S. E. McClanahan, of Paris, who has been his chief assistant for about twenty years. Mr. McClanahan has been promoted several times, coming up from the ranks. The change was made known in an official order by Superintendent J. A. Morrison, dated March 1.

Another addition to the personnel of the L. & N.'s forces at Paris was made recently when Mr. R. D. Smith, of Louisville, became Assistant Master of Trains on this division in the office of Master of Trains Jos. J. Grosche. Mr. and Mrs. Smith have gone to housekeeping in apartments at 1503 Main street.

A PROLIFIC EWE.

Kentucky is a State of wonderful doings, and Bourbon county generally manages to contribute its share. One of the latest bids for fame in the county is the possession by Mr. Jesse Leach, of the Jacksonville vicinity of a ewe which has added eight lambs to the county's food supply stock in twelve months.

Three lambs were born early in March, 1917, and later in the summer of the same year two lambs made their appearance in the ewe's household. Three more were born this month, making a total of eight lambs in about one year.

FARMER WHO LET WHEAT SPOIL TO BE PROSECUTED.

Louis Fellwock, wealthy farmer of Beatrice, Neb., recently brought before the Nebraska State Council of Defense to explain why he is said to have allowed several thousand bushels of wheat to go to ruin on one of his farms, will be prosecuted, United States District Attorney T. S. Allen said.

PARIS WOMAN SLIGHTLY INJURED IN ACCIDENT.

FIRST OF SECOND DRAFT CALL PARIS TOBACCO SALES RECORDS ARE SHATTERED

IN APRIL, PERHAPS.

While en route to St. Joseph Hospital, in Lexington, Wednesday afternoon in an automobile, accompanied by Mr. and Mrs. George McWilliams, Mr. and Mrs. John McCarthy and Mr. George Toohey, Miss Mary McCarthy, of Paris, was slightly injured when a party of joy riders ran into their machine near the Elmendorf Dairy.

Mr. Toohey was driving the machine for the Paris party, taking Miss McCarthy, who has been quite ill for some time, to St. Joseph Hospital. As they neared the Elmendorf Dairy a machine, in which four young men, all intoxicated, were riding, dashed up behind them, and, in endeavoring to pass them, crashed into the Paris auto. The machine was thrown against a telephone pole by the force of the collision. All the occupants escaped injury except Miss McCarthy, who was thrown against the side of the car, sustaining bruises and slight cuts. The machine was considerably damaged, and after being righted, the party proceeded to Lexington on the interurban car. The identity of the joy riders was not learned. They were going so fast that the Paris party could not get the number of the machine. After leaving Miss McCarthy at the hospital the Paris party returned home. Their machine was brought back to Paris yesterday for repairs.

WISCONSIN LEGISLATURE SCORES LAFOLLETTE SEVERELY.

The resolution condemning Senator Lafollette for his war attitude, passed in the State Senate a week ago, was ratified in the Lower House of the Wisconsin Legislature, Wednesday, 53 to 32, after an all-night session.

The measure condemns Lafollette and all others who failed to see the righteousness of the nation's cause, who have failed to support the government in matters vital to the winning of the war, and we denounce any attitude or utterance of theirs which has tended to incite sedition among the people and injure Wisconsin's fair name before the people of the world."

DON'T BE ALARMED.

No reason for dread of high prices in spring suits. Plenty of desirable styles and patterns at \$20 and \$25.

J. W. DAVIS & CO.

BRAKER INJURED.

While helping to load a piano in a box car at Austerlitz, Leslie Hughes, of Paris, L. & N. brakeman, was seriously injured when the instrument turned over on him. In its fall the piano struck Hughes on the back, lacerating the flesh and muscles. He was brought to his home in Paris and given medical attention.

— WE KNOW NOW —

GOOD TAILORING Will Outlive Good Ordinary Clothes

Just now it is patriotic economy to order long-wearing clothes—to pay a fair price and get tailoring that will hold its sightliness and keep you satisfied for a longer period.

Few men ever retain cheaply tailored clothes till they wear out!

The shape goes wrong and the entire hang becomes floppy, then you become disgusted with your suit and discard it for another.

If you purchase a suit from us, whether you have it made to your measure or select it from our immense ready-to-wear assortment, you will be satisfied with the price, style and wear.

DOINGS OF STATE SOLONS IN LEGISLATURE.

Col. J. A. Squires At Independent Warehouse, sells 100,365 lbs. at \$43.84 Average.

All records were smashed Tuesday when the Independent Tobacco Warehouse Company sold a total of 100,365 pounds of tobacco for a money value of \$43,904.55, or an average of \$43.84.

Not only was the warehouse average for the day shot full of holes, but the best crop average of any warehouse or market in the State went down before the quality of tobacco on sale as well as scoring the highest basket price of any warehouse or market in the State or any State.

Preparations have been made for summoning the remaining negroes certified under the first draft. Between 70,000 and 80,000 of these were called, but only half of them have been sent to the training camps. The inadvisability of centralizing these troops in Southern camps, and the fact that the army medical authorities do not believe it safe to transfer them to colder Northern camps during the winter, are given as the principal reasons for the delay.

BELL'S FAMOUS HAWAIIANS

An unusual programme will be presented at the Paris Grand Opera House next Thursday, March 14, by Bell's Famous Hawaiians, when they will present their Hawaiian-American musical masterpiece.

They represent the largest, all Hawaiian star company that has ever been presented to the American public. The company includes such noted artists as R. M. Bell, one of the Hawaiian entertainers in the Royal Palace, Honolulu, for the late Queen; Mr. George Cacini, the world's famous Hawaiian tenor; Princess Lei Lehua, noted Hawaiian Hula-dancer. These artists will be supported by a large company of artists, representing the pick of Hawaii's most noted instrumentalists, singers and dancers. From the many inquiries coming into the box office this organization will, no doubt, prove to be the big drawing card of the season.

BOURBON MEN SEE BIG WELL DRILLED IN.

Mr. Mitchell Jackson and Mr. John M. Stuart, of Paris, were visitors in Estill county last week on oil business. While on the J. G. Rogers lease, near Cob Hill, in the Estill oil field, they witnessed the drilling in of the Bourbon Oil & Development Co.'s No. 1 well on that lease.

The well was drilled to a depth of 796 feet, and is variously estimated at twenty to forty barrels a day production. The stock in this company is mostly held by local people.

THE TOBACCO MARKET

The Independent Tobacco Warehouse Company sold at their sale yesterday a total of 64,305 pounds for an average of \$30.94. Some of the crop averages follow:

T. H. Gaitskill & Son, 2,575 pounds; average \$39.47.

A. S. Thomas, 2,765 pounds; average \$27.17.

S. F. Reynolds, 2,815 pounds; average \$31.53.

Steel & Johnson, 4,765 pounds; average \$32.94.

Bedford & May, 6,195 pounds; average \$43.38.

Lail & Estes, 2,125 pounds; average \$27.46.

At the Fayette House No. 1 in Lexington, Tuesday, Taylor & Hutton, of near Paris, sold a crop of 2,850 pounds of tobacco for an average of \$37.62; Nelson & Howard, of Bourbon county, sold at the same house Tuesday a crop of 6,505 pounds, for an average of \$37.71.

At the Fayette Tobacco Warehouse No. 1, in Lexington, Wednesday, Hinton & Wilson, of Bourbon county, sold a crop of 4,410 pounds of tobacco for an average of \$39.47.

SOUTHERN BREEDERS' ASSOCIATION ELECTS NEW OFFICERS

The following directors of the Kentucky Shorthorn Breeders' Association were elected Tuesday afternoon at a meeting of the members, which was held in the Phoenix Hotel: J. A. Gay, Pisgah; B. A. Thomas, Shelbyville; J. K. Northcott, Cynthiana; Abram Renick, Winchester; O. M. Johnson, Millersburg, and A. M. Jewell, of Lexington, to serve one year, and C. H. Bowyer, Lexington; I. H. Thurman, Springfield; R. T. Judy, Sharpsburg; O. F. Troutman, Versailles; C. B. Gager, Paris, and J. P. Gager, Paris, to serve two years. Officers of the association will be elected by the directors.

The meeting was the first anniversary of the founding of the association. At the beginning of the Kentucky Shorthorn Breeders' Association one year ago there were seventeen members. At present the membership is ninety. Talks by various members were made at the meeting relevant to the future of the association.

JUVENILE RED CROSS SOCIETY SALVAGE JUNK.

Out in California where everybody and everything is progressive, the Junior Red Cross has made a large amount of money by salvaging what is generally thrown upon dumps. Tin cans, pasteboard, paper, rags, bottles, rubber, tinfoil, practically everything in the trash heap, has contributed to the treasury of the organization. Hundreds of dollars a month have been raised by salvaging what had been considered irredeemable waste.

There is no country in which as in America merchantable articles are thrown away regularly. Hardly anyone bothers to save "trash" which is given off by every household as well as most business houses in waste baskets every day. It is high time that the value of junk be realized, and that junk be utilized and the Junior Red Cross will help not only the war, but also the country by attracting attention to the possibilities of salvage.

DOINGS OF STATE SOLONS IN LEGISLATURE.

Representative Claude M. Thomas, of Bourbon county, introduced a bill intended to stop smoking in public dining rooms patronized by women. It imposes a fine on the hotel or restaurant keeper who permits smoking in such dining rooms,

EDITORIAL MUSINGS.

A Year's Achievement.

It was a happy coincident that on the day the newspapers carried a story from the American Army in France stressing the need of aeroplanes they were able also to print a dispatch from Washington bearing the good news that the first American-built battle planes are en route to France, nearly five months ahead of the original schedule.

The fact that our soldiers on the American sector in France have wondered at their lack of aeroplanes to combat a well-supplied enemy, while at the same time planes were en route to them months ahead of the time that had been hoped to have them in readiness, is significant of two things: American troops are fighting in France months ahead of the date that they were expected to be in readiness for action, and aeroplane construction in this country has been speeded up beyond the fondest hopes of government officials.

We have been in the war about a year, but in that time we have raised and equipped nearly two million troops, and have transported, trained and thrown into actual battle line an army larger than our regular army totalled a year ago. That army now is to have the service of American-built battle planes which it had not been expected would be ready until next summer. It is a pretty good record of achievement for a single year, and it can be enormously expanded in the year to come, if the war lasts that long. We have just begun to fight, and our resources are almost inexhaustible. The prospect is a gloomy one for the enemy.

What "Hun" Means

The word "Hun" nowadays appears so often in print, that, for the information of those unfamiliar with the term, we define it as follows:

"Hun" as originally defined means a member of an ancient Asiatic race of warlike nomads. They are described as ugly and savage, having dark complexions, small, deep set, black eyes, broad shoulders, flat noses and no beard. Their most famous king, Attila, was called the "Scourge of God," and during the time of his reign he overran certain parts of Europe and indulged in butchery, destruction and horrible deeds of about the same character as the Emperor of Germany has engaged in during the past three years.

Just as the Kaiser believes, also Attila proclaimed himself the man-child destined to rule over the earth—the whole world.

The White Hun of the present is the German Emperor, so-called because he has violated every decent custom familiar to civilized and uncivilized peoples.

And, as in the case of his prototype, Attila, "The Scourge of God," he will be defeated by Christianity and the help of God.

Banning Hymns of Hate.

The government has officially put its disapproval upon so-called hymns of hate. The speakers known as Semi-Minute Men have been instructed that they are not to stir up hatred, which in war times is a product peculiarly civilian. The good soldier, as the government says, is under orders, and frequently the best soldier is the man of respect toward his foe.

This ban does not mean, however, that speakers must not dwell upon

the outrages reported against the German army, and fear of men is proper if that fear is inaugurated by truthful presentations of known facts. For instance, realization of what the complete Teutonic domination of the world would mean is liable to cause men to fear and may move those to whom the highest ideal of democracy has no bearing. The government emphasizes the fact that it wants abiding truth alone stressed, because abiding truth makes abiding conviction; on the other hand, those to whom emotional stories have produced frightful cries for revenge are unstably minded and may turn at the words of the next orator.

Plant a Garden and Help.

Every householder should have a garden. It affords a supply of vegetables for the table whose quality cannot be touched by the stores. It gives to the family a possessing feeling of creation, and the first fruits of your own garden are the best tasting of the year. Behind it is your labor and you enjoy the results of your effort.

This year a reason for home gardening exists which should lead every man to plant all available ground. Every meal supplied from your own back yard means more food for Europe and a greater reserve here. Great Britain depends upon America for 65 per cent. of her essential foodstuffs. Every garden planted means the release of more food and more which is needed everywhere to beat the U-boats. If you are too old to fight and too poor to give your money you can at least operate your garden, and in this way do the best you can.

What Conservation Has Done.

The food administration's announcement that meatless days in the United States have saved 140,000,000 pounds of beef in four months shows what the united voluntary sacrifice of a nation can accomplish. These figures mean that, on the average, every individual of this country has curtailed his normal consumption a little over a pound. That is not a remarkable sacrifice, but the aggregate saving is impressive, and every pound that we have done without has meant a pound for our allies, who were in real need of it. We could cut out meat from our menus much more extensively without suffering in the least; in fact, our general health probably would be the better for it. Instead of a quarter of a pound a month apiece, we ought to make the saving at least a pound a month for each individual.

Have You Ever Thought of This?

Secretary Baker has emerged from the examination of his administration of the affairs of the war department in a much better light than at first seemed possible. But, regardless of the facts elicited by the investigation, or the charges which he refuted, or of the fine accomplishments which he outlined, have you ever thought of this: That the failure of the investigating committee to discover many irregularities and even some glaring instances of favoritism was a distinct and high compliment to his administration?

You're Right, Bishop!

That the commandment "Thou shall not kill" does not interfere with the duty of every Christian to do his share to win the war, even though winning it should mean the extermination of the German people, was asserted by Bishop Daniel S. Tuttle, Presiding Bishop of the Protestant Episcopal Church in America, at a noonday Lenten sermon at the Lyric Theatre, in Cincinnati. "Such a war as this, which is being fought for righteousness, for homes, for women, for children and for almost all the decencies of life, relieves us of any doubt that there are circumstances in which it is right for Christian people to fight," the Bishop said.

We have heard it said that a certain minister in a certain sermon at a certain church in a certain part of Central Kentucky not long ago made the assertion that killing in war time was murder the same as at any other time, and that he did not believe that the men who killed each other, even if it was in the defense of their country, could enter the pearly gates. Just think of such rot coming from the pulpit! And yet we are told we "must respect the cloth." The minister who made that statement ought to have been tarred and feathered! If this is treason, make the most of it!

The Newspaper Graveyard.

The newspaper graveyard has been added to during the last year with accelerated frequency. The latest newspaper annual shows the increased price of paper, ink, materials and labor has been too much for the publisher who had no faith in his publication. The men who were afraid to ask more for their papers have either sold out to competitors or joined that old time procession toward the Sheriff's office. In the United States and Canada one thousand and two hundred publications suspended during the last year. Of this number, sixty-two were dailies and 569 weeklies.

Neither the New York newspaper nor those of any other community have increased their subscription prices in a way to make the buying of newspapers by subscribers a burden. But the small difference of a few cents, when multiplied by a

President Wilson, in his recent proclamation regarding food regulations, wrote as follows:

"I, therefore, in the National interest, take the liberty to call upon every American to take fully to heart the suggestions which are being circulated by the Food Administration, and of begging that they be followed."

Avoid waste, is requested by the Food Administration.

Food is wasted in many ways:

In eating more than we need.

In stale bread and bread crusts.

In peeling potatoes the loss is 20 per cent.

In the fats of meats which we neglect to render.

In the sour milk and buttermilk that is thrown away.

In improper cooking and in eating wrong kinds of food.

In leaving food uncovered to be wasted or spoiled by vermin.

In not substituting other foods for beef, wheat, bacon and sugar, which are needed for the army.

large number representing circulation, in part, at least, overcomes the increased expenses and the newspapers continue to give real service.

ing habit, and makes America a nation of thrift where formerly extravagance ran amuck, it will have served purpose not usually classed in the ambitions of armed conflict.

KENTUCKY ASSOCIATION WANTS FIFTEEN DAYS' MEETING.

The Kentucky Association at Lexington will go before the State Racing Commission at its next meeting and ask to be allotted fifteen days for running races. In the event a fifteen-day meeting is granted the sport probably will start April 25. In the event of a thirteen-day meeting the opening day will be Saturday, April 27, perhaps, as that would give Lexington racing on three Saturdays. It is thought that the opening day, or Derby Day, at Churchill Downs, Louisville, will be May 14.

1,716,000,000 Pounds of Flour Saved

If each of our 22,000,000 families use this recipe instead of white bread.

One loaf saves 11,000,000 pounds; three loaves a week for a year means 1,716,000,000 pounds saved!

Enough to Feed the Entire Allied Army

Corn Bread with Rye Flour

1 cup corn meal	1 teaspoon salt
1 cup rye flour	1 cup milk
2 tablespoons sugar	1 egg
5 teaspoons Royal Baking Powder	2 tablespoons shortening

Barley flour or oat flour may be used instead of rye flour with equally good results. Sift dry ingredients into bowl; add milk, beaten egg and melted shortening. Stir well. Put into greased pan, allow to stand in warm place 20 to 25 minutes and bake in moderate oven 40 to 45 minutes.

Our new Red, White and Blue booklet, "Best War Time Recipes," containing many other recipes for making delicious and wholesome wheat saving foods, mailed free—address

ROYAL BAKING POWDER CO., Dept. H, 135 William St., New York

FOOD WILL WIN THE WAR

SEED CORN SITUATION SERIOUS. FARMERS, ATTENTION!

The seed corn situation in Kentucky this year is the most serious in years. Corn that had been picked as seed corn from different parts of the State and sent in to the Experiment Station at Lexington to be tested has run in some cases as low as 5% in germination, that is, five grains out of every hundred sprouting, and in hardly any cases as high as twenty grains out of a hundred sprouting. At a meeting of the District Agents, Director of Extension, Dean of the College of Agriculture and some others of the Extension force held at Lexington recently, it was decided that there should be put on all over the State of Kentucky, a Seed Corn Campaign. This is for the purpose of finding out the farmers in each county who have good seed corn and also those who have seed corn that is unfit for planting. This campaign is to be conducted in the following manner:

The County Agricultural Agents are to equip themselves by the enlistment of local financial aid with a large number of "Rag Doll" testers. They are to have a room in some building with a temperature as even as possible and there during the day they are to run a test for such farmers in their county who will bring them samples of their corn which they intend to use for planting purposes. The sample brought to them by a farmer should be composite, three or four grains from each of about one hundred ears picked at random out of his pile of seed corn, the agent being sure to keep the name of the farmer and his samples separate from any others. If farmers desire to bring in the ears, and make

an ear test the agent will select samples from same, number the ears and have the farmer take them back home. In addition to this work, which will be carried on at the County seats, a campaign will be made through the schools of the county and children will be asked to bring corn from home to be tested under the supervision of the teachers. County Superintendent J. B. Caywood, of Bourbon County, has received an order from a Chicago firm for eighty seed corn testers and one or more of these will be given to each school and a number retained in his office, where he and his staff of helpers, assisted by Emergency Demonstration Agent, L. S. Robbins, for a period extending from March 1st to such a time as the work shall have been accomplished.

It is earnestly desired by the Government that each county will test hundreds of bushels of seed corn during this period. It will mean a saving of thousands of dollars to each county, both from the standpoint of saving purchase money of seed corn and crop germination. But few farmers realize the seriousness of the situation. The seed corn situation is probably the most serious thing that confronts the farmer and the American people to-day. A large crop of corn is absolutely necessary if we are to continue the war to a victorious conclusion. The northern part of our corn belt has practically no seed corn. The farmer south will not be able, on account of climatic conditions, to furnish seed corn for the north that will produce a normal crop. So it behoves us not only to select seed corn for ourselves, but, for the purpose of helping to save our country, to also select some that we can sell to our northern brother. A failure in the corn crop of 1918 will be an international calamity.

Farmers of Bourbon County are, therefore, requested to bring samples of their seed corn as soon as possible to the County Superintendent's office for a germination test. They are requested to bring the corn in the ear. This work will be done free, of charge.

Any farmer who does not have his seed tested this year will, in all probability, have an utter failure in his corn crop.

Let us have your corn samples immediately.

J. B. CAYWOOD,
County Superintendent of Bourbon
County Schools.

SOCIAL AND PERSONAL.

Comings and Goings of Our People Here, There and Elsewhere.

Mrs. Boone Baldwin is visiting relatives in Huntington, West Virginia.

Mrs. Newton Mitchell is a guest of relatives near Pisgah, in Woodford county.

Miss Sarah McGinley has returned from a visit to relatives in Cincinnati.

Miss Elizabeth Hedges has returned from a visit to relatives in Louisville.

Mrs. Anna Gillispie has returned from a visit to friends and relatives in Cincinnati.

Mrs. S. E. McClanahan has as guest her aunt, Miss Lydia Clinkenbeard, of Oklahoma City, Okla.

Miss Mary Herndon, guest of Mrs. Katherine Davis Craig, has returned to her home in Georgetown.

Mrs. Walter Hedges and daughter, Miss Elizabeth, have returned from a visit to relatives in Cincinnati.

Miss Minerva Neal is a patient at the Massie Memorial Hospital, suffering from an attack of typhoid fever.

Misses May and Lucy Colville are guests of Mr. and Mrs. Ezekiel Arnold, at their suburban home near Covington.

Mrs. Lillie Leavell Stallings, guest of Mrs. Woodford Daniel, has returned to her home in Tishumingo, Oklahoma.

Mr. B. R. Locknane and family have moved from the Mitchell property in East Paris, to the Hume property, on Second street.

Mr. Edward Turner, of near Paris, underwent a successful surgical operation at the Massie Memorial Hospital, in Paris, Tuesday.

Mr. Ed. B. Hedges, of Stoner avenue, underwent a successful surgical operation for throat trouble in a Cincinnati hospital Tuesday.

Mr. Harry Long and family have moved from the Dinnitt farm near Millersburg to the Wm. B. Woodford farm, on the Winchester pike.

Mr. and Mrs. E. P. Claybrook and Mr. and Mrs. Robert Meteet attended the funeral and burial of Mrs. E. C. Slack, in Mason county, Tuesday.

Mr. Ossian Edwards, of the Bourne Realty Co., will return today from Washington, D. C., where he has been several days on a business mission.

Mr. Gus Aldrich and family have moved from Bourbon county to the farm recently purchased by Mr. Aldrich from Mrs. M. E. Sweatnam, in Clark county.

Mr. J. B. Graziana, who has been spending the winter in Covington, has returned to Paris to take up his duties at the plant of the Paris Ice Manufacturing Co. Mr. Graziana's annual return is as good a sign of coming of spring as the appearance of blue birds and robins.

COMING ATTRACTIONS AT ALAMO AND THE GRAND.

There is a certain indefinite fascination about Billie Burke, which, quite aside from her piquant beauty and her very exceptional ability as a comedienne and as an emotional actress, makes her exceptionally attractive. Stage folk call it "personality," but there are any number of celebrities of the stage and screen who posses pleasing personalities without the charm and attractiveness that is Miss Burke's. She is like no other stage personage, and her charm arises from the imitable Billy Burkes that have made her one of the greatest favorites in the history of American theatricals. She will be at the Alamo this afternoon and at the Grand to-night in "Eve's Daughter."

Marc MacDermott has a leading part in "The Woman Between Friends," another Vitagraph adaptation from the famous work of Robt. W. Chambers, and which, as a Greater Vitagraph Blue Ribbon Feature, will be the attraction at these houses to-morrow afternoon and evening.

Alice Joyce, talented and beautiful star, has the stellar role, that of Cecelle, the flower girl, in this fascinating story of love and tragedy centering about the lives of two young Americans in Paris.

The Douglas Fairbanks photoplay, "Reaching For the Moon," which comes to the Alamo and the Grand, Monday, shows some exquisite scenes in a Venetian village, including the characteristic canals, with the picturesque banks and gondolas.

In this picture Mr. Fairbanks has the time of his life. After paying large deposits for antique furniture, most of it is broken in one of the most thrilling hand to hand fights ever staged for a motion picture camera. He battles with six Indians, throws his opponents against vases, oil paintings, walls, out of windows, and left sorry looking Throne Room after he cleaned up the gang.

LODGE NOTES.

At the meeting of Rathbone Lodge No. 12, K. of P., last night, the First Rank was conferred on several candidates. There was a good attendance to witness the conferring of the degree.

All members of Paris Lodge B. P. O. E. No. 373, are urged to attend the meeting to be held Sunday afternoon at 2:30 o'clock, in the lodge room over the Bourbon Garage. The District Deputy will be present to take up the charter and discontinue the lodge.

The 99th anniversary of Odd Fellowship in America will be appropriately celebrated on April 26, when all the lodges will initiate large classes of new members. A special effort is being made by Bourbon Lodge No. 26 to secure a large class of new members for this special event. Seven candidates have already been secured, and all the members are working hard to have a big class ready by the night of April 26.

EXCLUSIVE AGENCY FOR ARCADIA FARM PRODUCTS.

TAGGART INDICTED.

In the Harrison Circuit Court at Cynthiana, Wednesday, among the indictments returned by the grand jury were two against C. L. Taggart, formerly proprietor of The Columbia Theatre, in Paris. Taggart was indicted on two charges of selling cigarettes to persons under eighteen years of age, and for knowingly permitting persons under eighteen years of age to play pool on tables under his control.

For fire, wind, lightning and automobile insurance, see YERKES & Peat, at Farmers & Traders Bank.

NOTICE TO TEACHERS.

The Bourbon County Teachers' Association will meet in the office of County School Superintendent J. B. Caywood, to-morrow (Saturday) morning, at ten o'clock, for the purpose of discussing Chapters 6, 7, 8, 9 and 10 of Turner's "Teaching to Read." We hope all the members will be present.

FOLSON MC GUIRE, Pres.

LEXINGTON DEFEATS PARIS FOR BASKET BALL HONORS

By defeating the Paris High School basket ball team in a fast snappy game at Lexington High School gymnasium, Tuesday night, the Lexington High School team is now perched on the topmost bough of the championship tree. The victory was won over Paris by a score of 29 to 18. A stellar game was played by both teams. Special seats were reserved for twenty-five girls students from Sayre College, who came as special invited guests of both teams.

There was a large delegation of Paris rooters on hand, who did their utmost to help win the game, but the odds were too strong against the home team, and Lexington finally won out.

The game started fast and for over

half of the first period fouls and free

throws featured the match. Campbell, of the Lexington five, threw

four out of five fouls and Burnett,

opposing forward and free throw

man for Paris, scored four out of

eight free throws.

When the first half closed with the Lexington squad two points in the lead, the Paris five began to weaken and in the last half slaughter was dealt out to the visitors in unstinted measure. King, captain of the Lexington five, started a new drive, in which he himself scored four field goals. Burnett, Rice and Clark did the best work for the Paris team.

Thirteen personal fouls were made, eight by the local squad and five by the visitors.

The summary:

Lexington	Pos.	Paris
Lawrence (4)	...F...	Roberts
Campbell (5)	...F...	Burnett (4)
Powell (6)	...C...	Rice (2)
Morris (4)	...G...	Clark (2)
Colpits (5)	...G...	Lavin
Substitutions: For Lexington—Dud King (8) for Powell, Fuller (2) for Lawrence, G. Smith for Colpits, Bill King for Morris; for Paris—Rule for Roberts.		

Goals from Fouls: For Lexington—Campbell, 4 out of 5; Fuller, 1 out 3; Powell, none out of 1; Dud King, none out of 3; Bill King, none out of 1, For Paris—Barnett, 9 out of 17; Lavin, 1 out of 1.

Score by Periods—1st 2d Total Lexington 12 17 29 Paris 10 8 18

Referee, Prof. Robt. Hinton, formerly of Paris, now coaching Georgetown.

On the same night, the Paris High School girls' team met the quintet from the Lexington High School in a contest preceding the boys' game, and wrested a victory by a score of 20 to 16. The game was featured by the excellent goal shooting of Misses Rose and Elder, of the Paris team, and Misses Williams, Sanders and Porter, of the Lexington team. The Paris girls played a remarkably brilliant game, and showed a classy athletic gait all through the contest. It was a big night for them, the only fly in the ointment being the defeat of the boys' team. The girls were full of enthusiasm and had hoped to help the boys celebrate the night by bringing home the High School Championship. There was glory to go around, and Paris is proud of the girls team and their accomplishments.

Y. M. C. A. NOTES.

At a meeting of business men and students, held in the Y. M. C. A. building at 7:30 o'clock last night, a preliminary organization of a Chess and Checker Club was effected, with a membership of about thirty. Arrangements were perfected for a series of chess and checker tournaments to be played at stated intervals between picked representatives of the classes in the membership. The first of the series will be played between representatives of the Men's Bible Class and other organizations. Anyone who desires to participate in the games following is invited to be present.

The Boy Scouts basket ball team from the "Y" will journey to Versailles to-day, where they will play a return game with the Versailles team. The first game between the two teams was played in the "Y" gymnasium in Paris, the locals capturing it by a one-sided score. The Boy Scouts will have an opportunity for the first time since the season closed to take part in a swimming contest in the big swimming pool at the "Y" to-day. They are urged to be present at nine o'clock to-morrow morning, and have the time of their lives.

CARD FROM SUPT. OF COUNTY SCHOOLS.

At a recent meeting of the County Board in the Superintendent's office the principal things voted were length of school term, filling vacancies for trustees, and the budget for next year.

On account of the lack of funds the Board voted that the school term should be eight months, except those that did not have the per cent. of attendance required by law, and they should close at seven months.

They also voted to make a ten cents levy, the usual amount, for the school expenses for next year.

An inquiry was also made concerning a surplus of \$7,000 left to the county treasury, but no one knew of any, as reported after the last Board meeting under the old administration.

This being true, I presume there was a mistake and it was only misnamed, and the amount referred to was what was left of the taxes collected for this school year.

If I understand correctly, though, you cannot call it a surplus.

I received for the county treasury, sent by Miss Robbins, \$343.31. Later, Mr. W. F. Talbot paid me \$5,885.55, making a total for the county treasury, \$6,228.86.

The reason I am making this statement, so many keep asking why so much money had been placed in the reserve fund or surplus.

J. B. CAYWOOD,
Superintendent of Schools.

(1t) C. P. COOK & CO.

BAN ON SALE OF HENS HAS CUT PRICE OF EGGS.

The recent order of the United States Food Commissioner prohibiting the sale of hens and pullets has evidently had the desired effect, so far as Paris is concerned.

A month ago wholesalers were paying sixty cents a dozen for eggs, with practically no receipts. This condition was ascribed to the fact that poultry raisers were selling hens at the high prices then prevailing, instead of holding them for low prices in the spring and summer. The prices now quoted in the local market is less than half that a month ago.

EXCLUSIVE AGENCY FOR ARCADIA FARM PRODUCTS.

Mr. Thomas B. Savage, of Millersburg, formerly Deputy Clerk in the office of County Clerk Pearce Paton, is quite ill at the home of his son, Mr. Jaynes Savage, on Fifteenth street.

Mr. Frank Farmer, of Oakdale, Tenn., is a guest of his wife and daughter at the home of Mr. and Mrs. James W. Earlywine, on Main street. Mr. and Mrs. Farmer were guests of friends in Cincinnati, Wednesday.

Mr. Allie Kearns and family, of Carlisle, were recent guests of Mrs. Thomas Herrin, on South Main street. They were en route to their farm near Bright Station, in Kenton county, recently purchased by Kearns.

Mr. Harold Shropshire, of Paris, was one of the guests Tuesday evening at a "miscellaneous shower" given by Mrs. W. T. Morris, at her home in Lexington. The "shower" was in compliment to Miss Nancy Morris, a charming bride-elect.

(Other Personals on Page 3)

MAKING CORN TESTS

Tests of seed corn sent in by two Bourbon county farmers to the office of County Superintendent J. B. Caywood, were made this week. The samples were taken at random from a dozen ears and showed that only seventeen grains sprouted, the remainder showing dry rot. Of the other samples of one hundred grains only eight sprouted. The farmers stated they had expected to use the seed corn for their crops this season.

THE MARK OF THE BEAST.

(Louisville Courier-Journal.) Such beastly atrocities as the sinking of the Glenart Castle, with her Red Cross lights flaming, and the wholesale murder of nurses, physicians and hospital orderlies upon their mission of mercy are to be expected of the Germans. Inasmuch as they are to be expected all talk of peace terms with Germans upon any basis short of the crushing of the military power of the only modern nation which is without civilization is worse than a waste of time.

The Germans bear the mark of the beast; they must be shot on sight until there are not enough of them left to practice murder and piracy on the high seas. The killing of German soldiers must proceed as rapidly and as efficiently as training of men and mobilization of resources permits until there are not enough of the brutes left to constitute a continuing menace to civilization.

Talk is idle. This is not the time for idleness. While Herting prattles to the Reichstag about Germany's favorable attitude toward sentiments expressed by President Wilson with such crimes as the sinking of hospital ships; crimes which no tribe of naked savages able to understand the purpose of the Red Cross would commit.

FORGOT WHAT HE NEEDED.

From the Republican, Mt. Gilead, Ohio: The editor had an interesting experience some time ago, when a young gentleman came to his office and asked for a copy of the Morrow County Republican. He scrutinized it carefully when a copy was handed him, and then said: "Now I know!" "What is it you are looking for?" we inquired. "My wife sent me after a bottle of Chamberlain's Cough Remedy, and I forgot the name. I went to several stores and the clerk named over everything on the shelf except 'Chamberlain's'. I'll try again, and I'll never go home without Chamberlain's Cough Remedy." The Republican would suggest to the proprietors of drug stores, that they post their clerks, and never let them substitute. Customers lose faith in stores where substituting is permitted to say nothing of the injustice to the makers of good goods and the disappointment of customers.

(adv. March)

One of the lessons of the coal crisis is that henceforth no fuel administration should proceed in the Summer, on the theory that it is going to be a mild winter.

It is joyful news that the Senate investigators have decided to stop wasting Secretary Baker's time and let him get back to work.

THE TOBACCO MARKET

The Independent Tobacco Warehouse Company broke all records yesterday when they disposed of 100,325 pounds of tobacco for \$44,055.85, an average of \$43.91 per hundred pounds. A special feature of the sale was the crop average of \$58.40 paid for 2,550 pounds of tobacco belonging to Thomason, Burris & Hinkston. One basket in this crop brought the record price of \$78 per hundred pounds. The following additional crop averages were reported:

Young & Robinson sold 5,425 pounds for an average of \$54.06.

Plummer, McClure & Jones sold 1,975 pounds for an average of \$50.24.

Thomason, Burris & Fleming sold 3,255 pounds for an average of \$47.54.

Plummer, McClure & Frederick sold 3,580 pounds for an average of \$43.87.

Thomason, Burris & Wagoner sold 1,890 pounds for an average of \$48.21.

Thomason, Burris & Wagoner sold 5,330 pounds for an average of \$47. Jones & Mason sold 1,340 pounds for an average of \$45.82.

J. W. Young, Jr., sold 3,930 pounds for an average of \$46.33.

Jacoby & Gray sold 7,075 pounds for an average of \$41.45.

Ewalt & Kenton sold 4,590 pounds for an average of \$38.70.

Clay & Neal sold 2,530 pounds for an average of \$44.94.

See page four for display advertisement of the Independent Tobacco Warehouse Company.

(adv.)

LOOK AT A CHILD'S TONGUE WHEN CROSS FEVERISH AND SICK

Take No Chances! Move Poisons From Liver and Bowels At Once.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

A HERO EVERY DAY.

For cool head work, quick decision and knowing the right thing to do and doing it, a young officer of the United States Navy has won distinction from the British government. Although this government will not allow men in the military service to accept decorations from other powers, the English Commander-in-Chief has recommended the award of the Distinguished Service Cross to Ensign Henry N. Fulton, U. S. N.

The officer was on duty on a United States destroyer which was conveying a merchant ship. Sighting a submarine, the man-of-war headed directly for the enemy. She submerged and after a while appeared and by quick and well-directed maneuvering the American kept after her and by dropping a depth bomb escaped injury. It is believed that the charge destroyed the submarine. Ensign Fulton was on watch at the time. He is a native of Pennsylvania and was appointed to the Naval Academy in 1912.

(adv. March)

BAD TASTE IN YOUR MOUTH.

When you have had a bad taste in your mouth you may know that your digestion is faulty. A dose of Chamberlain's Tablets will usually correct the disorder. They also cause a gentle movement of the bowels. You will find this to be one of the best medicines you have ever become acquainted with.

(adv. March)

Hooverizing seems to have successfully taken the place of Fletcherizing as a remedy for all stomach ills.

If there is a real need to conserve fuel, why not go after the joyriders? There's a fertile field for conservation, Doc.

(adv. March)

LIBERTY LOAN PRIMER — BIG MONEY PUSH AHEAD — GET READY FOR IT.

One of these days there is going to be another Liberty Loan and the people of the United States are going to be asked again to back their faith in the principles of liberty and democracy with their pocketbooks.

It is often much easier to subscribe to a principle vocally than to back it with hard money. But think a minute.

The United States has under arms to-day some 1,900,000 men, every one of whom has declared his willingness to give his life for the principles that some folks hesitated to loan their dollars for.

These men must be fed, equipped and cared for in every way. Nothing this nation can do is too good for them. That costs money. Who be-

grudes it?

This war is not over yet. The rosy optimists who think America can sit down and wait until Fritz hands them Berlin on a platter menace the nation. Every sound observer knows Prussianism is fast in the saddle and riding hard.

We are going to need more men—how many no one knows. Perhaps 3,000,000. Are we willing to pay for them? Be sure of one thing. We will either pay for the army or pay the Hun.

The government of the United States has not asked a cent in gift of anyone. It has asked to borrow money and in return has given the best security in the world. Remember that.

So get ready for the next Liberty Loan. Save and sacrifice. Nothing we can ever be asked to do will measure with the sacrifice of the American boys who will "go West" in the front line trenches before victory is won.

TRY THIS FOR SOUR STOMACH.

Eat slowly, masticate your food thoroughly. Eat but little meat and none at all for supper. If you are still troubled with sour stomach take one of Chamberlain's Tablets before going to bed.

(adv. March)

Dr. Garfield might at least have gotten a little more co-operation on the part of the weather man before springing the order for those heatless days.

Wanted—White Corn

The market changes almost daily, but we are to-day (Mar. 2) paying following prices:

Ear Corn, No. 3, \$1.90

" " No. 4, 1.85

Shelled, 5 cents per bushel higher.

These prices delivered Louisville.

If you have any White Corn to sell, now or later, it will pay you to write

BALLARD CORN MILLS, Incorporated, Louisville, Ky.

SOLDIERS CARD INDEXED.

Every soldier is card indexed. In that way Uncle Sam will keep track of every soldier, sailor and civilian attached in any way to his armed forces. The card index will permit prompt handling of all casualty lists. Not only will we over here know who over there has been hurt or slain, but we will know where that American boy lived and his nearest living relatives. This system will do a lot toward heading off the wave of casualty lies which pro-German propagandists spread in America. The card index plan makes it impossible for any soldier to be wounded, captured or slain without his nearest relatives being promptly notified. If no such notice is received from official sources no harm has befallen the soldier. There will be no "unknown dead." Every man in the army, whether officer or private, will be indexed by name and the records filed in alphabetical order for immediate reference should the names appear either in army orders or casualty lists. With the description of each soldier will be given the name of his next kin, with address. The War Department may decide upon the plan of identification which has been in vogue in the regular army. This system is that each soldier shall wear about his neck underneath his clothing a small aluminum tag giving his name and company. So always there is a line of communication from the boy fighting in the trenches over there, or in training camps here, and his nearest relative, through the tag he wears and the card in the filing case at Washington.

FOR A BAD COLD.

Take Chamberlain's Cough Remedy. It has stood the test of time and can be depended upon. (adv. March)

GEO. W. DAVIS
FUNERAL DIRECTOR
Motor Equipment
BOTH PHONES—DAY 137; NIGHT 299
Corner Fifth and Pleasant Streets, Paris, Ky.

The Nation's Needs Come First

Any patriotic American would gladly stand aside and give his place—anywhere—to an officer on government duty.

The placing of the Bell telephone system at the disposal of the government, as was done when war broke out, involved the same patriotic obligation.

During the months of military preparedness, the War and Navy Departments had the service of the most comprehensive and efficient telephone system in the world. And it must be kept so. In the face of the unprecedented demand from private sources, every government need must and will be met.

The government comes first, but we are doing everything that science can suggest and that money can accomplish to maintain our general service at the usual standard of efficiency. A loyal organization is working continuously to meet the increased demands and your patient co-operation will prove helpful and inspiring.

Telephone users can help by avoiding useless conversation and by encouraging their employees and associates to use the telephone only when necessary during the busy hours of the day, and to make their conversations brief.

With this patriotic attitude of the public toward us we can serve the government first and render a service that will meet the requirements of the commercial and social world.

CUMBERLAND TELEPHONE AND TELEGRAPH COMPANY
Incorporated

ARE YOU TALKING TREASON TALK OR AMERICAN?

Treason Talk. Why are we in this war?

American Talk. We are in this war because Germany gave us too many knocks. We were not quick to fight. We said "please don't" many times, but Germany would not stop. We are in this war because we are not cowards.

Treason Talk. If we keep quiet, Germany will not hurt us.

American Talk. Germany has already hurt us. She has sunk our ships, killed our women and children, and told us to keep off the sea. We are rich in coal, iron, steel, sugar, wheat, cotton, oil, copper and many things that Germany wants. If we keep quiet, she will come and take them. She will take our money, too, to pay for her war.

Treason Talk. But the government takes our money now in taxes.

American Talk. It is better to give a little now to our own government than to have Germany take it all.

Treason Talk. I have a good job and I get good pay. I do not want to give any of it to the government.

American Talk. If Germany gets this country, you will have no job and no pay. You would have to work like a dog, and if you did not work you would get a whip on your back. That is the way the Germans treat prisoners of war.

Treason Talk. I want to save my money for my wife and children. A good man thinks first of his family.

American Talk. I know how the Germans treated the women and children of Belgium. To save my family from such a fate I would give my life.

Treason Talk. This is not our war. This is England's war.

American Talk. This is America's war, and England's war, and France's war, and Italy's war, and the war of every honest nation that is now fighting to save the world from the lust of Germany.

Treason Talk. This is a rich man's war.

American Talk. The army and the navy are full of rich men's sons. The rich have poured out their money for the Liberty Bonds, for the Red Cross, for the Y. M. C. A. and other war aids. They have cut prices but not wages. This is a rich man's war and a poor man's war. We are all in it—the rich and the poor, the old and the young, men, women and children.

Treason Talk. It is not fair that the poor should pay more taxes than the rich.

American Talk. They don't. To say they do is a made-in-Germany lie. The more money a man has the more taxes he pays to the government.

Treason Talk. German-Americans still love the Fatherland.

American Talk. If the Fatherland was such a good country, why are there millions of Germans in this country to-day? When the war broke out did the German-Americans rush to the ships to go back and fight for the Fatherland? They did not.

Treason Talk. Germany wants peace now. Why go on fighting? Let us have peace.

American Talk. Germany does not want peace. Germany wants a rest, so that she may be strong enough to fight again. We will not stop this war until we have taken the guns away from the German soldiers; till there are no more German submarines; till there are no more Zeppelins; till there are no more German airplanes or cannon or poison gas or bombs.

ACID IN STOMACH SOUR THE FOOD AND CAUSE INDIGESTION

"Pape's Diapepsin" Fixes Sour, Gassy, Upset Stomachs in Five Minutes.

You don't know what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul and tongue coated—just take a little Pape's Diapepsin to neutralize acidity and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women to-day know that it is useless to have dyspepsia. A little Diapepsin occasionally keeps the stomach sweetened, and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless antacid is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it stops food souring and sets things straight, so gently and easily that it is really astonishing. Your stomach will digest your meals if you keep acids neutralized.

HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well."

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles

so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 5th St., N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal.

If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years experience is at your service.

CARTOONISTS HELP BOOST THIRD LIBERTY LOAN.

The work of the foremost cartoonists of the country will be used during the sale of the Third Liberty Loan Bonds. Drawings will be used in a wordless booklet and a daily cartoon service.

The booklet, containing all of the cartoons, will be distributed by millions. It will consist only of drawings. The cartoons will also be divided evenly between afternoon and morning papers.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system. One hundred dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for testimonials.

KAISER BILL ON HIS WAY TO HADES?

"Uncle Bill" Schoeler gets real wroth in the Somerset News over the continued presence on earth of Kaiser Bill, and takes it out on his readers in this manner:

"Nearly every exchange that comes to our desk has been burdened with lengthy articles about Kaiser Bill, of Germany, and the devil. The articles in question run from an expose of personal correspondence between these gentlemen, to Willie's trip to hell; and, subsequent revolution brought about down there by aforementioned visit. We are going to ease a lot of minds, and put a quietus on the whole row, by stating positively, that Kaiser Bill had been consigned to hell months ago by The Newsman. So, why worry about what he and the devil be doing?"

WHAT WAR SAVINGS STAMPS WILL BUY FOR SOLDIERS.

A single Thrift Stamp will buy a tent pole or five tent pins, a waist belt or hat cord, shoe laces or identification tags; two will buy one trench tool or a pair of woolen gloves. Four Thrift Stamps will buy two pairs of canvas leggings, six will buy five pairs of woolen socks or three suits of summer underwear; twelve will buy a steel helmet.

One War-Saving Stamp will buy a hundred cartridges or a cartridge belt or a scabbard for a bayonet; two will purchase two pairs of woolen breeches or two flannel shirts; two and a half will buy a gas mask. Three War Savings Stamps will buy an overcoat or two woolen service coats; three and a half will buy three pairs of woolen blankets; four will buy a rifle.

Now comes Lent to help Mr. Hoover's conservation. And no doubt, Mr. Garfield is cheerful by the simultaneous arrival of zeroless weather.

This would be a good time to include the sheep-killing dog in the meatless days.

—Mr. Craycraft and family have moved from the property of J. H. Purnell & Co., to that of Misses Griffith, recently vacated by Mr. and Mrs. H. T. Murry.

—Mr. V. L. Barton and family moved Wednesday to his property, recently purchased from Mrs. D. S. Allen, from that lately sold by him to Mr. O. R. Rankin.

—Miss Ethel Love Fisher, of the Lexington College of Music, was a guest several days this week of her parents, Dr. and Mrs. C. C. Fisher, at the Millersburg College.

—NOTICE.—I am prepared to do dressmaking and earnestly solicit your patronage. I guarantee perfect fit and good work. Please give me a call. Prices reasonable.

MRS. H. J. FAITH,
Griffith Property, South Main Street,
Formerly occupied by Mr. Dennis McMaham and family.

—Mr. and Mrs. O. W. Ingels, Mr. and Mrs. S. M. Allen and family, Mr. L. R. Rogers and family, and Mr. J. M. Alverson and family, the latter of Georgetown, will spend Sunday at Camp Taylor, Louisville, with Mr. J. A. Ingels and other soldier boys.

—NOTICE.—I have purchased the interest of B. W. Ammerman, in the firm of D. E. Clarke & Co., and will continue business in the same old stand. We desire to thank our patrons for their business in the past and trust they will continue with us in the future. We will endeavor to give the same prompt service. In the future we hope to operate a thirty-day system, as by so doing we will be able to sell to you on a closer margin, and do business on less capital, which will operate to the

DEATHS.

NORMAN.

—The body of Wm. R. Norman, a former resident of Paris, who died in Cincinnati, Tuesday, was brought to Lexington, Wednesday, and taken to the undertaking establishment of J. H. Weihl & Son. The interment took place on the family lot in the Catholic Cemetery, in Lexington yesterday morning at eleven o'clock.

The pall-bearers were James Gleason, John Luby, Charles Dodd, Thomas Ahearn, William Drummy and W. E. Stewart.

Mr. Norman is survived by three sisters, Mrs. Miles McGrath, and Miss Maria Norman, of Louisville, and Mrs. G. A. P. Harris, of Frankfort.

Mr. Norman was the youngest son of Mr. and Mrs. John Norman, who resided on Higgins avenue, in Paris, for many years. He spent most of his earlier years here, where he attended school with his brothers and sisters. The family moved to Lexington, where they resided for many years.

SCHOOLER.

—Mr. C. C. Schooler, aged fifty-eight, died at his home in Mt. Sterling, Tuesday, after a short illness. Mr. Schooler was a native of Bourbon county, having been born and raised near North Middletown. He moved to Montgomery county many years ago, and located in Mt. Sterling, where he conducted a large woolen mill for several years, retiring from business on account of poor health.

Mr. Schooler is survived by his wife and one daughter, Miss Christine
